MARY MCINTOSH, INSTRUCTOR

VICTORIAN SCRAP ORNAMENTS WORKSHOP

Workshop by
Mary McIntosh

\$35 per person

LIMIT 25/CLASS

Wednesday, August 16
9am – 11am

Learn to make unique ornaments that were popular in the 19th century using scraps from Germany, antique images, cardboard, and crepe paper. In days long past, housewives followed Godey's Lady Book and other period magazines to enhance their homes for the holidays. The scrap ornaments you will be making are inspired by their ideas and creativity.

Participants need to bring their own pointed scissors.

You will receive all materials and instructions to make 12 different scraps. Any scraps not completed in the two-hour time allotted for the workshop can be taken home and completed on your own.

For additional information, please email Mary at MkMcintosh@verizon.net.

Send questions via email to 2023Arlington@GoldenGlow.org.
