# LIGHT LUNCH SPECIAL MEAL

Hosted by  
Craig McManus

Cost \$66 per person  
Thursday, August 17  
12 – 2pm

An illuminating interactive lunch themed on Christmas lights and lighted decorations from the beginning until 1984. All are welcome to attend this year's Lighting Lunch, you do not have to be an experienced lighting collector to join the fun.

A delicious lunch will be followed by a Show & Tell where attendees are invited to bring ONE of their favorite Christmas lights, light sets, lighted decorations, or anything Christmas that you can switch on and light up!

If you know about the item, its history, or interesting facts, you are invited to tell the us all about it. If you need expert advice as to what you have, we will call upon some of the group lighting experts in attendance to help you learn about your piece.

The more, the merrier! There will be a few special prizes given out as well. We hope you can attend this enlightening event.

This event is hosted by Craig McManus, a lighting expert.
