WOODLAND SCENICS STARTER KIT MERCHANDISE

Cost \$49

Deadline to order May 1

This Starter Kit by Woodland Scenics is exclusive to Golden Glow and NCC members to create winter landscapes for Village, Nativity, and Putz displays, with many applications to almost any Christmas display.

With your purchase of the Woodland Scenics® Seasonal Set, you receive starter kits to enhance your collectible and holiday displays. The Seasonal Set allows you to create realistic landscape to make your display come to life. Easily model natural terrain with the Shaper Sheet® Learning Kit, form icicles, frozen ponds, and snow-covered scenery with the Winter Modeling kit, and add lots of foliage with bonus Fir Trees, all included in the Seasonal Set. The Winter Modeling kit is NOT available anywhere but through the Arlington Convention!

Pick up at the Arlington Convention only.
