After an early departure from the hotel, guests enjoy a privately led tour throughout the Dallas Arboretum and Botanical Gardens, one of the top botanical gardens in America, with over 66 acres of displaying finely manicured grounds and breathtaking seasonal color displays.

Stroll The Lyda Bunker Hunt Paseo de Flores. Commonly referred to as simply The Paseo, this meandering pathway serves as the central walkway and is the main artery of the garden for guests.

Tour the DeGoyler Gardens and DeGoyler House, a 21,000 square foot home listed on the National Register of Historic Places. Other areas to enjoy include the Lay Family Garden and Grotto, A Woman's Garden, the Red Maple Rill and the Fern Dell.

The Lay Family Garden is a 2.2-acre garden filled with hundreds of perennials and woody plants set against two amazing water features, the Lay Grotto, which boasts a waterfall and Koi Fishpond, and on the other side, another set of cascading waterwalls under a lush trellis. Stop for photos and enjoy the Koi Fish.
