HEIRLOOM ORNAMENTS

"I love my work. It gives me the opportunity to create from the heart and share with you my childhood memories of the season." ML

Matt Litavsky is the creative vision behind Mattarusky Heirloom Ornaments, a beautiful line of blown glass ornaments.

Matt begins the process of creating the ornaments by either a sketch or a carving.

A mold is made, Matt does the original coloration, and artists in Poland replicate each piece by hand.
