

Giving Tree

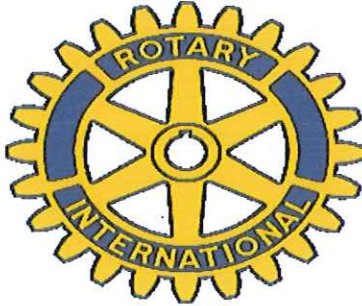

OUR GIVING TREE will benefit the **Connellsville Area Community Ministries Christmas Toy Drive**.

CONNELLSVILLE IS a little town about 30 miles south of Pittsburgh. They have been suffering from some hard times including heavy loss due to flooding and many homes have been damaged. They are very excited and appreciative that we have chosen to help them by donating to their Christmas Toy Drive.

Please bring an unwrapped, new toy for a child of any age to place under the tree. Donations of warm clothing such as jackets, hats, gloves are also appreciated.

Left is a picture of the wonderful generosity of our Golden Glow members last year at the Convention in Lancaster.

Thank you to all who participate in this very worthwhile project.

Jean,

We started to collect toys through the Connellsville Rotary after hearing Toys for Tots distribution center is now located in Pittsburgh which makes it difficult for families in our area to reap the benefits of a wonderful program. In our collection campaigns we've collected toys at our local schools, businesses, and Rotary Interact Club.

In 2018 we collected a little over 300 toys, in 2019 we collected over 1,000 toys and we would like to keep the numbers growing year after year. We have a huge demand due our low income county.

Our distribution is through our local churches in town and mountain areas, Community Ministry, and Alternative YES.
