**IN HONOR OF GENE TESLOVIC,** the Norfolk 2021 Convention "Light" Lunch is a celebration of Gene's passion for the wonder of Christmas lights as a part of our holiday histories. You do not need to be a lighting collector to attend. We hope you can attend this glowing tribute to the celebration of lights.

Please bring (pre-1982) lights or a lighted decoration from your collection, if you want to participate in the "show and tell" portion of the lunch. This luncheon is hosted by Craig McManus, Editor of the GGCP magazine *The GLOW*, and a vintage lighting expert.
