## Data Retention

As part of the voting software, we maintain a confidential audit trail that includes the unique identifier, time ballot was cast, and ballot selections for your members. This data will be preserved for 12 months from the date of certification for your election. Please contact us if you have any further questions about our data storage policies or if you need access to this data.

These vote results are true and accurate, and represent the votes cast by eligible members in the online election and the paper ballots entered by the client Voting Manager during the voting period as identified above. Records of individual votes are maintained in electronic format pursuant to the data retention guidelines described above. The Voting Manger has restricted access to the election information and doesn't have permission to manipulate a voter ballot during or after this election period.

Congratulations on the successful completion of your election. Thank you again for choosing AssociationVoting.com. If you have any further questions, you can contact us at 1-877-8-VOTING.

Sincerely,

*Kimberly J Harwood, Chief Voting Officer*
