

The Golden Glow of Christmas Past **42nd ANNUAL CONVENTION**

Welcome to ChicaGlow – Christmas in a whole new light!

Covid-19 Standards and Practices

The current thinking is that the Covid 19 pandemic shall become endemic over time. Worldwide, we all need to be cognizant of this virus and any and all of it's mutations. Only time will tell what it will do next. Will Covid still be a cause for concern in July of 2022? What will Covid mean to us as attendees at the Convention?

The organizers, working with the staff of the Westin, Hotel, will adhere to any and all safeguards that are mandated by the Federal Government, State of Illinois and local authorities in respect to Covid-19.

At this time, masks, social distancing, and the use of hand sanitizers and/or hand washing are becoming standard practice in many of our lives, not only in Illinois but worldwide.

We suggest that you bring a supply of masks with you, throw a hand sanitizer in your travel bag, and if warranted at the time of the Convention, practice social distancing as mandated or in a manner you feel comfortable with. As to room hopping we cannot control the flow of shoppers in or out of a private hotel room. We shall adhere to any distancing requirements in the hotel corridors or commons areas as directed by the Westin, State or local authorities. We do ask that you cooperate with any requirements that may be in place and use common sense with a view of keeping everyone comfortable, healthy, and secure. If you have a cold or feel ill, again, use common sense (wear a mask, use a tissue and dispose of it properly, sanitize your hands).

In these uncertain times, we want everyone to have an enjoyable experience but unfortunately, we cannot predict what the Covid "climate" will be at the time this is being written. For informational updates, please check the website, updates will be made available as they are received.
