Workshop by
Amanda Benton

\$110 per person including the vintage vase
\$90 per person if you provide your own vase

LIMIT 12/CLASS

Tuesday, August 15
10am – 12pm

Take a lady head vase from fashionable to fantastic in this two hour assemblage workshop. We will bring some lady head vases for you to choose from, or you can bring your own for a \$20 discount. The vases we have may show some signs of their age, but that is why we are going to give them a new life with a holly jolly makeover. A large selection of holiday haberdashery will be provided to decorate your lady's noggin with, and you are welcome to bring your own do-dads if you have something special you would like to include.

Attendees need to bring their creativity!

What is included: Lady head vase to choose from if you're not bringing your own (some may have damage, but we are going to give them new life!), bottle brush trees, mini ornaments, lots of package toppers, floral picks, and vintage earrings to choose from to decorate your lady head. We will also be providing you a glue gun, finger protectors, floral wire, and wire snips.
