SWEET SATIN DOLLS ORNAMENT & FIGURE WORKSHOP

Workshop by
Sue Wille

\$25 per person

LIMIT 25/CLASS

Monday, August 14
1 – 2:30 pm

You will make both a hanging Sweet Satin Doll ornament and sitting Sweet Satin Doll figure using vintage satin ornaments and a vintage light reflector. All materials are included.

I came across a project to make doll-head ornaments from satin ornaments in an early 1960s craft pamphlet. To make the Sweet Satin Doll figure, I came up with the idea to use a vintage light reflector bell as a dress and pipe cleaners for arms and legs.

The vintage satin ornaments, vintage light reflector, and everything pictured decorating the dolls will be furnished, as well as tools to assemble them. If you bring your own small, sharp scissors, you won't need to share. Please label them with your name.
