VICTORIAN CHRISTMAS: THE TRANSFORMATION OF CHRISTMAS LUNCH SPECIAL MEAL

A Pre-1940 Era Event

Hosted by
Elissa and Darren Walker

Cost \$66 per person

Friday, August 18
11am – 1pm

Queen Victoria transformed the look of Christmas. From Christmas cards to decorated trees and Christmas crackers, many of our best-known Christmas traditions are products of the Victorian era. The wealth and technologies generated by the industrial revolution of the Victorian era changed the face of Christmas forever.

Join us for lunch to celebrate this magical era by bringing your favorite candy container, wire wrap, kugel or other Victorian delight for a time of "show and tell". Or bring a Victorian treasure you found while room hopping at the convention. We would love to see it!

Guest speaker Kim Knight will share insights about the Victorian Santa.

Join us in celebrating this magical era.
