

THE JOY OF COLLECTING VILLAGES LUNCHEON

SPECIAL MEAL

Hosted by The National Council of 56 Clubs (NCC) and Department 56

Cost \$66 per person
Saturday, August 19
12 – 2pm

The National Council of Department 56 Clubs (NCC) and Department 56 invite you to attend The Joy of Collecting Villages Luncheon. Join fellow village collectors of all brands as we celebrate the addition of Snow Village into the Golden Glow family! Presenters will come from a variety of backgrounds in the world of villages including special guest speakers from Department 56.

If you've attended Village Gatherings in the past, this will serve as the traditional Gathering Banquet. If this will be your first activity with us, WELCOME! Plenty of fun will be had with our annual raffles and live auction as well as the anticipated awards night where we present the Collector of the Year and NCC President's Awards. Historically, Gathering auctions have included one-of-a-kind Department 56 items such as re-designs, samples, and much coveted paper models, and artist renderings. It's an exciting time for bidders and spectators alike!

All are welcome! Collectors of Snow Babies, Department 56 Décor, and anything that has a house, please come, make new friends, and get to know a whole different side of Villaging you never knew existed!
