Kelly Jones — Louisville, Kentucky Member of the Glow since 2017. I have been a leader in Law Enforcement for 37 years. I have chaired non-profit boards. I came to the Glow because the organization took me to a place and time from childhood that can only come from the Glow. Laying on the itchy wool rug under our tree in the 1960s and looking up through the tree branches was the best feeling on earth. Little did I know the world was full of Christmas wonders. I have attended several conventions and have pitched in behind the scenes to do anything asked of me. I promise to honor the roots of the Glow have the vision of how to recruit new members to join the magic. I am a fully transparent person and I know my obligation is to you, the members. I would be honored to have your vote.

Barbara Frazier Lehl — Lees Summit, Missouri My name is Barbara Frazier Lehl. Current Board Chair pleaded, "Please run for the Board." Now our Founder, Jerry Ehernberger, and others give 100% endorsement. I can bring fresh perspective to the Board with extensive, proven skills in education, legal matters, and drafting documents. I will identify root problems and get to effective solutions so our members receive the best experience possible. I will rebuild trust in the membership by focusing on the purpose of the organization and address By-laws issues. As my volunteer commitment, I will waive all compensation entitled to a Board member. I have been a passionate member of The Golden Glow of Christmas Past since 2015 by volunteering at Annual Conventions to display Museum Room cases, present educational Round Table talks, and submit winning cookies. Yes, I loved being Elf Barb with Benjamin Bradley in his Netflix series, *Holiday Home Makeover with Mr. Christmas*.

David C. Nelson — East Haddam, Connecticut In 2012, I joined the Golden Glow and attended every Annual Convention held since 2015. I've served on boards of six different non-profit organizations spanning arts, historical, music, religious, and cemetery, including multiple officer positions: chair (2x), vice-chair, secretary (2x), treasurer (4x), and marketing director (2x), plus over 30 years as a local historic district commissioner, with proven experience in financial (including forensic accounting), organizational, marketing, historic preservation, and Bylaws writing. Planning retirement early 2026 from my career in information technology management. For the Golden Glow: longest-term Proofreader 2015–2023 for *The GLOW* Magazine, first centralized Convention Registrar (2018 Cincinnati), and Website Coordinator since 2020, organizing and designing the current website launched in August 2021. In 2020, served as Co-Editor and Proofreader for the Golden Glow *Christmas Cookie Book*, and for that, received a Volunteer of the Year Award in 2021.

Tyler Scally — Bristow, Virginia I joined the Golden Glow of Christmas Past in 2015 and have attended six of the last seven conventions. Since joining, I've broadened my collecting horizons. I have been an administrator for Golden Glow Facebook groups for five years, doing all I can to enhance our members' social media experience and enforce our rules. I volunteered at each convention I attended and will continue to do so. Last year, I was honored and humbled to receive a Volunteer of the Year Award. I am running for the board to honor our roots with current members and to help introduce the Golden Glow to younger generations like me. Our continuing success depends upon both. I believe that many are members of the Golden Glow because it aids us in reliving magical times in our lives. I welcome the opportunity to lead from the front and to serve our members directly.
