Sanfilippo Estate

The Sanfilippo estate is a private home located in Barrington Hills, Illinois, featuring the World's finest collection of automatic musical instruments and so much more! The world's largest Wurlitzer pipe organ which will be demonstrated for us. A separate building houses the Eden's Palais with the fully restored European salon carousel, which we will be able to ride!

There are numerous fairground organs, calliopes, street and tower clocks, steam engines, fully restored train engines pulling restored Pullman cars. The Sanfilippo estate, a charitable foundation, through admissions and guided tours, has raised more than 1.5 million dollars for more than two dozen charities. It's truly a by-gone era feast for the eyes.

NEW! This year we will be allowed to enter the grand pharmacy that is part of the Perfume Passage at the estate. We will stroll down a Parisian arcade, which tells the tales of some of the most influential perfume houses of all time. The collection of perfume bottles is astounding!

ALSO NEW! Next, we will be treated to a Christmas organ concert by the renowned organist, David Wickerham. He is a true delight! Following the concert, we will be bused to the carousel building for a ride on the restored carousel and enjoy an included light lunch of pizza and beverage in front of the Eden Palais.

This will be an all-day trip. We strongly suggest eating breakfast in the morning! Lunch is included in your registration.

The tour is limited to 110 participants and will be handled on a first come first served basis.
