

## Lighting Luncheon

Thursday July 23, 12 noon – 2 pm

Limited to 100 registrants

Your host: Craig McManus

Cost: \$80

Join author and Christmas lighting expert Craig McManus for an enlightening luncheon focusing on old Christmas lights and lighted decorations. A delicious lunch will be served, followed by a short presentation by Craig on an aspect of vintage Christmas lighting. After the presentation, as time permits, there will be a show and tell where attendees are encouraged to bring pre-1987 lights or lighted decorations from their collections to discuss and share with the group.

This lunch is limited to 100 people, and the Chicago lighting dinner sold out quickly, so sign up early!
